**SUBJECT:** BLM fire response resources in Nye County**SUMMARY**

The Battle Mountain Field Office of the Bureau of Land Management provides wild-land fire suppression services to all the public lands within Nye County that are managed by BLM and the U.S. Forest Service.

The fire suppression resources for wild-land fires are available at three BLM locations. The primary response for Nye County wild-land fires comes from Austin, NV. This location has the following resources:

- 1 Type-4 fire engine
- 1 non-tactical water tender
- 1 Type-3 incident commander
- 1 Single Engine Air Tanker (SEAT) base at the Austin airport.

The secondary response for Nye County wild-land fires comes from Eureka, NV. This location has the following resources:

- 2 Type-4 fire engines
- 1 Type-3 incident commander
- 1 SEAT base at the Eureka airport

The tertiary response for Nye County wild-land fires comes from Battle Mountain, NV. This location has the following resources:

- 1 Type-3 fire engine
- 1 Type-4 fire engine
- 1 Type-3 incident commander
- 1 Air attack base
